1. This certificate is issued in accordance with the terms of our engagement letter dated 19 October 2024 with **Tata AIG General Insurance Company Limited** ('the Company').
2. The accompanying statement containing details of Company's compliance with the financial covenants of the listed unsecured Non-Convertible Debenture ("NCD") as per the terms of Debenture Trust Deed ("DTD") (the 'Statement') has been prepared by the Company's management pursuant to Regulation 15(1)(f) of Securities and Exchange Board of India (SEBI) (Debenture Trustees) Regulations, 1993 (as amended) read with Clause 2.1 of Chapter VI of SEBI operational circular SEBI/HO/DDHS/P/CIR/2023/50 dated 31 March 2023 (collectively referred to as 'Regulations'), for the purpose of submission of the statement along with the certificate to the Debenture Trustee of the Company. We have attached the Statement for identification purposes only.

Management's Responsibility

3. The preparation of the Statement, including the preparation and maintenance of all accounting and other relevant supporting records and documents, is solely the responsibility of the management of the Company. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
4. The Management is also responsible for ensuring the compliance with the requirements of the Regulations and the DTD for the purpose of furnishing this Statement and for providing all relevant information to the Debenture Trustees.

Auditor's Responsibility

5. Pursuant to requirements as referred to in paragraph 2 above, it is our responsibility to provide limited assurance in the form of a conclusion as to whether anything has come to our attention that causes us to believe that the declaration given by the management, as included in the accompanying Statement regarding compliance with the financial covenants as stated in the DTD, in respect of listed unsecured NCD of the Company outstanding as at 30 September 2024, is, in all material respect, not fairly stated.

Tata AIG General Insurance Company Limited

Independent Auditor's Certificate pursuant to Regulation 15(1)(f) of Securities and Exchange Board of India (SEBI) (Debenture Trustees) Regulations, 1993 (as amended) read with Clause 2.1 of Chapter VI of SEBI operational circular dated 31 March 2023

6. The unaudited financial results for the quarter and half year ended 30 September 2024, have been jointly reviewed by Walker Chandiook & Co LLP and M/s A. F. Ferguson Associates, in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India on which we issued an unmodified conclusion vide our report dated 24 October 2024. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
7. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) ('the Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements, issued by the ICAI.
9. The procedures performed in a limited assurance engagement vary in nature and timing from and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. The procedures selected depend on the auditor's judgment, including the assessment of the areas where a material misstatement of the subject matter information is likely to arise. We have performed the following procedures in relation to the Statement:
 - (a) Obtained a detailed listing of the financial covenants stated in DTD in respect of listed unsecured NCD of the Company outstanding as at 30 September 2024;
 - (b) Enquired and understood management's assessment of compliance with all the covenants as obtained and corroborated the responses from the understanding obtained by us during the review of the unaudited financial results referred to in paragraph 6 above, and such further inspection of supporting documents (on test check basis) as deemed necessary.
 - (c) Based on the procedure performed in (b) above, evaluated the appropriateness of the declaration made by the management in the Statement; and
 - (d) Obtained necessary representations from the management.

Opinion

10. Based on the procedures performed in para 9 above, evidences obtained, and the information and explanations given to us, along with the representations provided by the management, nothing has come to our attention that causes us to believe that Company, for the quarter and half year ended 30 September 2024, has not complied, in all material respects, with the financial covenants mentioned in the accompanying statement, in respect of listed unsecured NCD of the Company outstanding as at 30 September 2024.

Independent Auditor's Certificate pursuant to the request received from Axis Trustee Services Limited in respect of Tata AIG General Insurance Company Limited for the half year ended 30 September 2024

1. This certificate is issued in accordance with the terms of our engagement letter dated 19 October 2024 with **Tata AIG General Insurance Company Limited** ('the Company').
2. The accompanying statement containing details of Company's compliance with the non-financial covenants for the listed unsecured Non-Convertible Debenture ("NCD") as per the terms of Debenture Trust Deed ("DTD") ('the Statement') has been prepared by the Company's management pursuant to the request received from Axis Trustee Services Limited (the 'Debenture Trustees') for the purpose of submission of the Statement along with this certificate to the Debenture Trustees of the Company. We have attached the Statement for identification purposes only.

Management's Responsibility for the Statement

3. The preparation of the Statement, including the preparation and maintenance of all accounting and other relevant supporting records and documents, is solely the responsibility of the management of the Company. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
4. The Management is also responsible for ensuring the compliance with the request of the DTD for the purpose of furnishing this Statement and for providing all relevant information to the Debenture Trustees.

Auditor's Responsibility

5. Pursuant to request as referred to in paragraph 2 above, it is our responsibility to provide limited assurance in the form of a conclusion as to whether anything has come to our attention that cause us to believe that the declaration given by the management as included in the Statement regarding compliance with the non-financial covenants stated in the DTD in respect of listed unsecured NCD of the Company outstanding as at 30 September 2024, is, in all material respects, not fairly stated.

Tata AIG General Insurance Company Limited
Independent Auditor's Certificate pursuant to the request received from Axis Trustee Services Limited in respect of Tata AIG General Insurance Company Limited for the half year ended 30 September 2024

6. The unaudited financial results for the quarter and half year ended 30 September 2024, have been jointly reviewed by Walker Chandiook & Co LLP and M/s A. F. Ferguson Associates in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India on which we issued an unmodified conclusion vide our report dated 24 October 2024. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
7. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) ('the Guidance Note') issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements, issued by the ICAI.
9. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. The procedures selected depend on the auditor's judgment, including the assessment of the areas where a material misstatement of the subject matter information is likely to arise. We have performed the following procedures in relation to the Statement:
 - a. Obtained a detailed listing of the non-financial covenants stated in DTD in respect of listed unsecured NCD of the Company outstanding as at 30 September 2024;
 - b. Enquired and understood management's assessment of compliance with non-financial covenants as obtained in (a) and corroborated the responses from the understanding obtained by us during the review of unaudited financial results referred to in paragraph 6 above, and such further inspection of supporting documents (on test check basis) as deemed necessary;
 - c. Based on the procedure performed in (b) above, evaluated the appropriateness of the declaration made by the management in the Statement; and
 - d. Obtained necessary representations from the management.

Conclusion

10. Based on the procedures performed as per paragraph 9 above, evidences obtained, and the information and explanations given to us, along with the representations provided by the management, nothing has come to our attention that cause us to believe that the Company, for the half year ended 30 September 2024, has not complied, in all material respects, with the non-financial covenants mentioned in the Statement, in respect of listed unsecured NCD of the Company outstanding as at 30 September 2024.
