You can also cover valuable contents like jewellery, work of art, silverware, paintings, etc. by paying additional premium.

How do I become eligible to buy the cover?

You can buy cover for the building if You are its owner, authorised occupier, landlord, or tenant and You are liable for insurance. You can buy the cover if Your Home Building is used for residence. If You carry on commercial activity by employing other persons, You cannot buy this policy but have to buy the appropriate policy.

You can buy cover for any item of article or thing if You are its owner, purchaser, or responsible for it.

What amount am I entitled to receive in the event of a covered loss?

Your home is covered for the amount that will be required to rebuild it, calculated at the rate of prevailing cost of construction of Your home building at the policy commencement date. This is the Sum Insured for the building.

Articles or things in Your home are covered for the amount that will be required to replace them. There is an automatic cover for General Contents for 20% of the Sum Insured for Home Building Cover subject to a maximum of Rs. 10 Lakhs (Rupees Ten Lakh), if You have purchased both Home Building and Home Contents cover. You can increase this amount by declaring the details (and that becomes the Sum Insured for contents), or decide not to buy this cover. If You have purchased only Home Contents cover, You have to declare Sum Insured for General Contents.

If Your home or articles or things in Your home are damaged, We pay the amount You have spent on repairs. If Your home or articles or things are lost or completely destroyed, We pay the Sum Insured for that item.

Please note that 'underinsurance' does not apply to the **Tata AIG Bharat Griha Raksha Policy**. This is a special feature of this policy. Thus, if Your Sum Insured calculated on the basis of the information that You have provided Us is less than the actual value at risk, the difference will not affect the amount We pay.
